Approved and paid bills

Supervisor report-NA

Road Work

1. Jeff Peterson will be taking care of the beaver issue that we are having the town a c written contract has been signed by the board members.
2. We have some washing out on the Spur Gary will look into this and have this taken care of. He will get in touch with Danny Trawicki.
3. Myron will get the grader out as we have issues with grass coming up on Cougar and other roads in the town.

Residence Concerns

1. A town member was present to discuss fireworks that are being set off in within the town. The town does not have an ordinance regarding setting off fireworks. They just wanted to bring it to the board's attention that this was happening at all hours of the night and they were concerned that other town members might also be getting disturbed by these. The town thanked the member for their concern and we will continue to monitor this issue.
