Approved and paid bills

Carolyn Marten gave a presentation regarding what has been going on with the Rusk County Block Grant program. Currently they have very little in the fund as they don't receive money from the recipients until the property is sold. They try to disperse the funds as soon as they get some in to make sure that the individuals needing projects done can do so. They currently have enough to help replace a roof she is working on that right now.

Supervisors report

1. Clean Sweep is Saturday May 5<sup>th</sup> at the Gilman High School parking lot from 2:00pm to 3:30pm
2. Patti reported on the recycling meeting.
3. Gary received help with the wood for the community center that is why the cost was so low. Tim Zach donated the hauling of the wood. Kevin Shield donated the stumpage so all that the town needed to pay was Gary's gentleman to cut the wood.
