Approved and paid bills

Supervisors Report

1. Emery is still working on road signs he will be ordering signs and post from the county.
2. Jump River electric was kind enough to come and fix the letters on the community center and also remove a beehive from the light pole.
3. Flush Valve has been fixed in the men's bathroom. The towel dispenser has also been changed.
4. Brenda went to the recycling meeting. August 12th will be tire collection in Gilman.
5. We had some down trees due to storms in the last month they have been removed from the roadway.
6. Hamilton Drive needs some gravel as there is a hole on that road
7. Some roads have been missed when the grader went out Steve will look into this and get the grader out again.
8. Another display board has been purchased for the front of the building.

Roadwork

1. Danny Trawicki will be out to look at the culvert on Smith Dr

Residence Concerns

1. Chris Beadles presented the board with a copy of the Lions insurance
2. Chris mentioned it would be nice to see the treasurers report itemized
3. Brenda Skabroud questioned who was responsible for the porta potty down by the swimming hole that was put there by the 4H they are responsible for that.
4. Cheryl McVicker mentioned that the signs along the parade route and tracker route for no parking did help over the 4th.
5. It was also mentioned that there is a bee hive by the transfer station.
6. Julie Siemek questioned how much has been spent on road work this year.
7. Julie was also questioning the ball diamond report. Steve Fleming will be in contact with Steve Schuller to get on the Town of McKinley agenda to talk about the ball diamond with them.

Correspondence-Went Through

Old Business

1. Ball Diamond Steve has made contact with Janine to purchase the 2.25 acres she is wanting \$5,000. This will need to be discussed with both towns.
2. Pine tree-Steve will continue to try to work on getting someone to take a look at this.
3. Dust Control-This has been completed there are 3 locations that could also still use some we will look into getting a partial tanker brought up.

New Business

1. Estimates on road work-Steve obtained estimates from the county on repairing roads.
2. Inspection Findings
 - a. There needed to be anti-seize valve put on the chalet
 - b. There was a crack in the casing cover this has also been fixed
 - c. Hand Pump-Need to be repaired and there is also drainage issues. At this time the handle has been taken off until we decide how we want to proceed with this.

Other Business-NA

Next meeting was set for August 14th

Meeting adjourned.
