Supervisors Report

1. Steve has ask the county to some partial grading it was decided if they come in to partial grading they should grade everything that is needed to be done.
2. Emery discussed that the road signs have been completed and that going forward the county will continue to take care of putting them up or replacing as needed. Each year during the road tour a list of needed signs will be marked down and given to the county.
3. Brenda went the recycling meeting. County is still getting grants for the recycling program. Our local dump will take tire all year round instead of finding them in the ditches. Recycling is down and the county is looking on improvement on that.

Roadwork in progress-This was reported in the supervisor report

Correspondence-Went through

Old Business

1. Ball Diamond-Nothing new at this time.
2. Hand Pump-Excel Concrete came and looking at the pad and the slab outside of the hall and they are willing to put in a new slab for approx... \$450.00. Emery is willing to help with the removal of the concrete. Steve has also talked to Romigs regarding fixing the pump. Brenda made a motion to at this time abandon the pump with a 2nd by Emery. Steve was opposed to the motion. Motion passed. Emery will call Brunners out of Medford to see when they can come and get this pump abandoned.

New Business
